Hello. This is Vulgar Ghost Daydream volume 6. How have you all been? The main character of this story, Princess Misaki, is in a bad mood. She might be angry. Well, it would be strange for her to be happy and smiling all the time with a job that she dislikes as much as she does, and with things always boring over from one bad thing to another.

低俗霊 DAYDREAM

I'm very sorry Misaki-san, but you'll just have to be unhappy for a little while longer. If all the readers out there also have sympathy, thinking "aah, I'm going to feel bad myself" as they read, it would be tough on them. I hope that all the things around you that make you feel bad dissappear. (They won't go away.)

1 fugu [Trans. Note] Narita Express, otherwise known as NEX, goes from the Narita airport in Tokyo to Ueno station (and makes another stop as well) – is easily the fastest way to Narita from downtown Tokyo. It is also pretty expensive, around $30 the last time I took it.

2 fugu [Trans. Note] Keisei Skyliner is another "express" train to Narita, but makes 4 or 5 stops, is run by a private company (Keisei rail) and costs much less, around $20. It takes longer though. I'm also of the Skyliner persuasion. By the way, my translation is loose – Kadotake really says something more like "I'm the keisei skyliner group," or maybe more loosely "I'm of the Keisei Skyliner persuasion."

Strange Death in Shinjuku
Governmental Housing Project

34 year old foreign capital related career woman

Yujima Hijiri-san (34)

In the afternoon of the 21st at the housing projects at Dogawa Heights in Shinjuku Tokyo the body of the career woman tenant Yujima Hijiri-san was found. At the police headquarters in Shinjuku, they said that Yujima-san was found completely naked, and there was no suicide note or will to be found, and since the whereabouts of the man that had been living with her for about a month were unknown, they think there is the possibility of murder, and have ordered an official autopsy on the 23rd for more details into the cause of the death. They are looking into the whereabouts of the man that lived with her based on the pictures recorded by the elevator surveillence camera. When Yujima-san did not come to work for more than a week, and could not be reached by phone, her boss stopped by her house and noticed an unusual smell. When he alerted the police, they found her body.

Cause of death is drug

Caring for a young boy that lived with her

The dead body of career woman Yujima-san was discovered at 3pm on the 21st at the housing projects in Shinjuku, Tokyo. According to the results of the autopsy, the cause of dead was drug overdose. The man that lived with her who disappeared after the incident was found to be a 16 year old student at the local city high school. The police are investigating the details of why she was caring for the boy. Yujima-san and the young boy apparently met at the end of last month at an "online dating site" and started to live together shortly after.

At the station, about Yujima-san's behavior ... "Internet opposite sex ... make use of business ... entice ... behavior ask ..." possibility that ... will investigate

WHAT DO YOU MEAN ?
AND THE "COUNTER-MEASURE" THEN WAS?
AND WHEN THE PLACE IS BEING DISMANTLED IN 20 YEARS
HOW MANY PEOPLE DO YOU THINK WILL DIE IN THOSE 20 YEARS?
WON'T THERE JUST HAVE TO BE SOME "COUNTER-MEASURE" THEN?

THE HOUSING DIVISION AND ENVIRONMENTAL DIVISION'S ADMINISTRATIONS HAVE DIFFERENT STANDARDS. FOR EXAMPLE, AT THE HOUSING DIVISION, EVEN IF THE END OF THE A "COUNTERMEASURE" HAS BEEN DECIDED
The Environment and Lifestyle Preservation division that Sosuichirou belongs to is environment related.

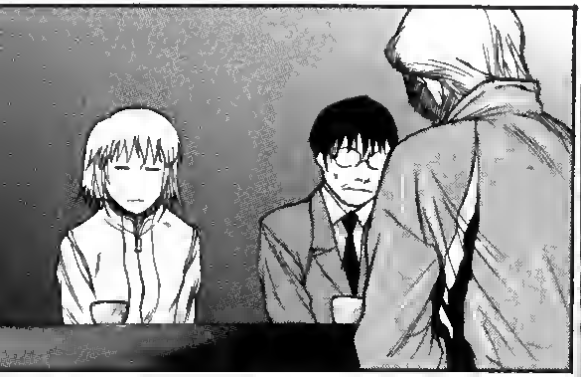
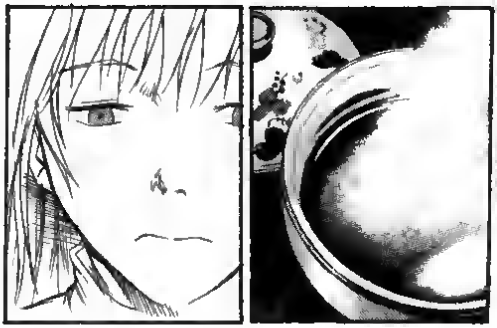
1 fugu [Trans. Note] Just a note here. This is really so Japanese – they have proper channels to go through to get things done, and they really prefer to be done that way. So here they are, spending all sorts of effort to t, to find a way to get the proper person to submit the right forms and make a complaint so they can have their department take on the case. It just can't explain how well this fits in with Japanese society.





IF YOU CAN REALLY HEAR THE VOICES OF THE DEAD ...

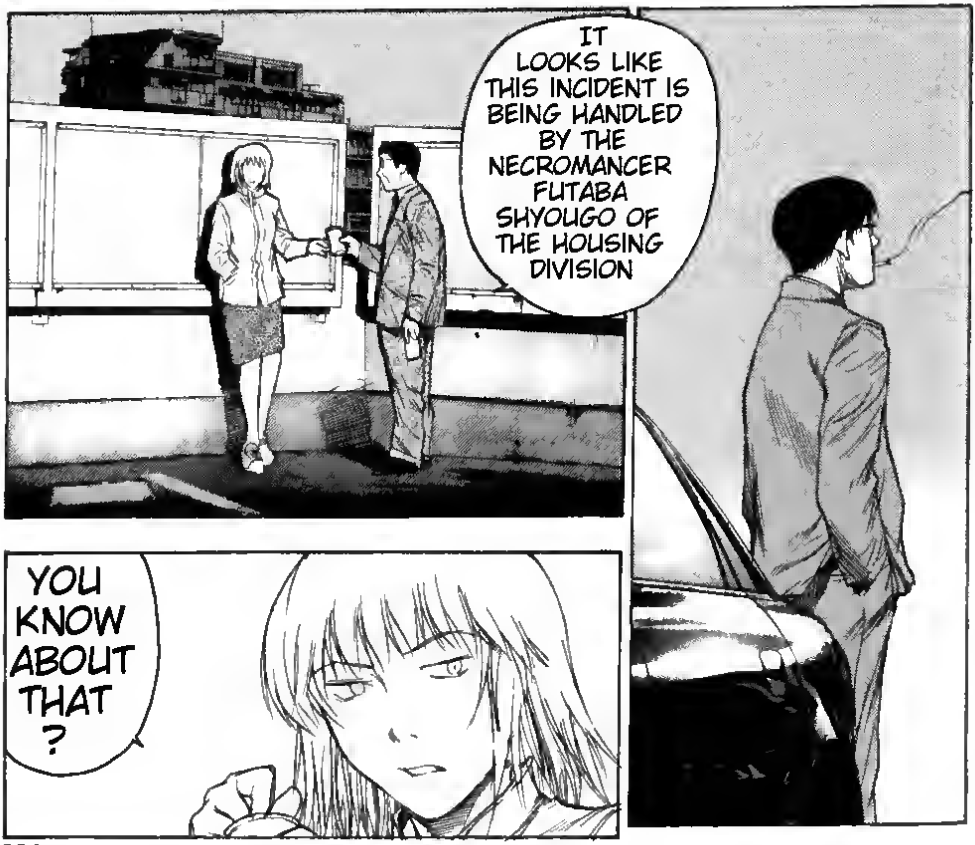
Vulgar Ghost Daydream 6 Page 112 http://MangaTranslation.com/VGD/ 2004/09/09

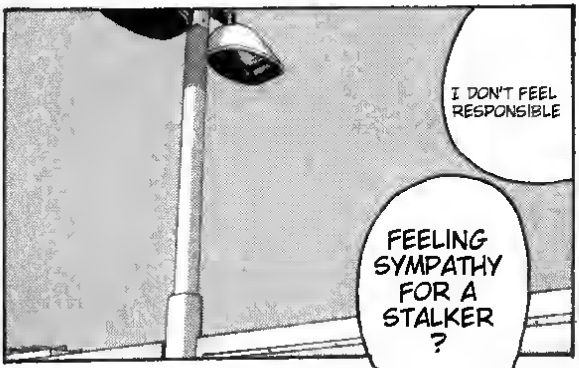


IT LOOKS LIKE THIS INCIDENT IS BEING HANDLED BY THE NECROMANCER FUTABA SHYOUGO OF THE HOUSING DIVISION
YOU KNOW ABOUT THAT?

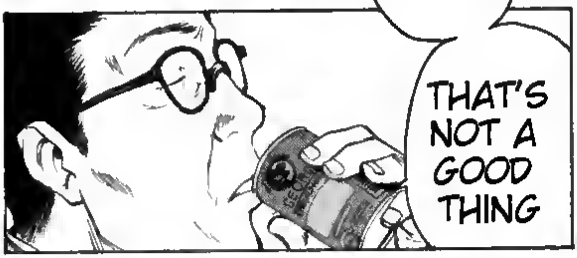
Vulgar Ghost Daydream 6 Page 113 http://MangaTranslation.com/VGD/ 2004/09/09

I HEARD THAT HE STOPPED BEING A NECROMANCER HIMSELF, BUT IS INSTEAD DOING SOME SORT OF MEDITATION SERVICES FOR NECROMANCERS
HE STARTED TO GET WORRIED ABOUT HIS DECLINING STRENGTH AS HE AGED, AND SO CONTRACTED WITH THE HOUSING DIVISION

HE WAS WELL KNOWN IN THE INDUSTRY
HE USED TO CONTRACT OUT PRIVATELY FOR OUTRAGEOUSLY HIGH PRICES THAT NOBODY COULD BELIEVE



I DON'T FEEL RESPONSIBLE
FEELING SYMPATHY FOR A STALKER ?



THAT'S NOT A GOOD THING

YOU DON'T HAVE TO FEEL ANY RESPONSIBILITY BECAUSE OF THE YOUNG STALKER

SHE'S GOING A BIT TOO FAR
THAT'S JUST ALWAYS HOW IT IS. THEY SWELL UP LIKE DARK MOTHERFUCKIN' CLOUDS AND GET THIS DELUSION THAT THEY CAN COMPLETELY CONTROL THE OPPOSITE SEX.
